

Early Warning System with Pro 6

# AI that never blinks. More colours than a human eye.

## Arlo Pro 6 Security Camera

Arlo Early Warning System

2K+

2K Resolution

160°

160° Viewing Angle

Colour night vision

12x Zoom and auto tracking

**Arlo Early Warning System.\***  
Detect fire, and movements before they escalate, so you can act fast and keep your home safe from anywhere, any time.

**Advanced colour night vision.**  
24/7 full colour video accuracy means better identification of clothes and distinctive features.

**Powerful 2K+ HDR video.**  
Every face, vehicle and movement stays clear, even in low light or at a distance.

**Get smart alerts, not false alarms\*.**  
Advanced AI spots people, vehicles, animals, parcels, and even fire, so you only get alerts that matter.

**12x zoom with auto-tracking.**  
Follow every movement in real time and capture the details that matter most.

**160\* wide field of view.**  
See more of your property at once, with fewer blind spots than rival 2K cameras.

**Built-in spotlight & siren deterrence.**  
Stop intruders in their tracks with instant, visible protection.

**Flexible, seamless setup.**  
Fast USB-C charging, improved battery life and removable battery keep you covered 24/7.
