

# Our most powerful combination of 4K and AI detection.

Arlo Early Warning System

4K

4K Resolution

180° Viewing Angle

Spotlight & siren deterrence

12x Zoom and auto tracking

**Arlo Early Warning System.\*** Detect fire, and movements before they escalate, so you can act fast and keep your home safe from anywhere, any time.

**True 4K with HDR clarity.** Premium lens and sensor capture every detail in lifelike colour and contrast.

**Get smart alerts, not false alarms\*.** Advanced AI spots people, vehicles, animals, parcels, and even fire, so you only get alerts that matter.

**Advanced colour night vision.** Advanced AI recognises people, pets, sounds and even fire, so you won't miss what's important, and won't be distracted by what's not.

**12x zoom with auto-tracking.** Follow every movement in real time and capture the details that matter most.

**180\* wide field of view.** See more of your property at once, with fewer blind spots.

**Built-in spotlight & siren deterrence.** Stop intruders in their tracks with instant, visible protection.

**Flexible, seamless setup.** Dual band Wi-Fi, USB-C fast charging, removable battery and EU-grade privacy.

NEW!

## Your AI-Powered Early Warning System

Our most advanced AI security

Detect more than any other brand

Secure cloud storage options

Protect custom areas with activity zones

### What's in the box for the 2 camera kit:

- (2) Arlo Ultra 3 Security Camera
- (2) Rechargeable Batteries
- (1) Indoor Charging Cable
- (2) Wall Mount and Screw Kit
- (1) SmartHub (VMB5000)

### Who is Arlo Ultra 3 right for?

- For customers who want the best image quality and protection Arlo offers.
- Ideal for homeowners and families looking for premium 4K clarity and full system coverage.
- Perfect for those who value smart, reliable, professional-grade security without installation costs.

### How to install and connect

Mount anywhere with flexible screw-in mounts included. Pair in the Arlo app and start protecting your home in minutes.

### Works with

### What makes 4K security different?

Four times the detail of HD – see faces, licence plates and small movements clearly.

Sharper contrast and true colour with HDR and colour night vision.

Wider coverage, fewer cameras needed for complete visibility.

Ideal for larger homes and driveways where detail and distance matter.

### Why choose Arlo Ultra 3?

- True 4K HDR video captures the finest detail day and night.
- Wide 180° field of view covers more area with fewer cameras.
- Smart AI detection spots people, vehicles, animals and more. Integrated spotlight and siren deter threats before they escalate.
- EU data protection with European cloud storage and 24/7 monitoring.

### Help your customer build their home security system

The Arlo Ultra 3 Security Camera is powerful on its own and as part of a complete home system. Mix and match cameras with Arlo Secure and the Early Warning System for total peace of mind.
