

# Arlo Essential XL Spotlight Camera

## Wire-Free Security

## See the essential details, longer

Arlo Essential XL Spotlight has extended battery life and captures video in 1080p resolution with an integrated spotlight, color night vision, and an extended life battery. Wire-free and weather resistant, Arlo Essential works indoors or out. Set it up yourself in just a few easy steps and clearly see who's there, even at night. With one year battery life\*, it's perfect for high traffic locations or areas that are difficult to reach. Easily recharge your camera using the included indoor power cable (battery not removeable). Receive notifications and view videos that tell you a package, person, vehicle or even an animal is detected, so you can take quick action like phone a friend, sound an alarm or call emergency services with 3 months of included Arlo Smart.\*\* Personalize what you get notified for and create custom activity zones to ensure you only get alerts for what matters, reducing those that are less important.

Capture clear details in full high definition.

Receive alerts when motion is detected.

See in color at night with integrated spotlight.

Designed to withstand heat, cold, rain or sun.

Clearly hear and speak with visitors.

One year of battery life on one charge.

Quickly install camera yourself.

Use the built-in siren to deter unwanted guests.

\*Will vary with settings, use, activity captured, and environment. \*\*Arlo Smart includes cloud recordings of video clips for 30 days. Renewal of an Arlo Smart subscription is required to maintain Arlo Smart features, including cloud storage.
