

# Arlo Mobile

Arlo Go Camera + Data Plan

## Pre-activated out of the box

Devices come pre-activated with 15 minutes worth of video clips. Simply download the Arlo app and follow the easy setup instructions. You'll be up and running in minutes.

## Use as much or as little as you want

Stay in control at any time via the Arlo app. Add video minutes to your plan through the app or via the web.

## Arlo Mobile Service Plans\*

Arlo Go is the world's only 100% wire-free weatherproof HD security camera that goes anywhere you want and sets up in seconds.

100% Wire-Free,  
free of power cords  
and wiring hassles

Less than 1 GB of  
data per month of  
activity\*\*

Works day or night,  
rain or shine

Over two and  
a half months of  
battery life\*\*

2-Way Audio,  
listen in or talk  
back and forth

Smart alerts to  
your phone or  
email.

Record video to the  
cloud and  
local storage

Triggered by motion  
or audio

## Maximize your Mobile Service Plan

Using lower video quality and shorter clips in modes and rules, the default video quality is optimized for battery life, which means significantly lower data usage. The default clip length is 10 seconds, giving users significantly longer usage for each plan.

\*\*Typical use of video recording
